

To Whom It May Concern:

As the Head Varsity Baseball Coach and Physical Education Teacher at Chandler High School, I have had the pleasure of teaching, coaching and mentoring Brok Liu for the last three years. Brok has been a tremendous student-athlete and an asset to our Baseball Program, Chandler High School and the Chandler Community.

As a student, Brok comes to school everyday with the excitement to learn and grow. He is a passionate student that takes his school work and grades seriously. Beyond being a top student in school, Brok showed the respected desire to assist his peers in any way he could. The ability to manage an IB/AP heavy class schedule, play a varsity sport and most importantly be a model student/teammate is greatly appreciated. I have been extremely fortunate to have Brok in class but am most thankful that I get to continue to watch his growth into a great young man through coaching.

As a baseball player Brok Liu has been a key member to our Chandler Baseball program. Brok has successfully demonstrated leadership ability on and off the baseball field by counseling, motivating and encouraging his teammates. Brok's positive and competitive attitude with the willingness to do whatever it takes for the team to be successful continues to make a positive impact in our program.

Brok's drive and abilities will truly be an asset to your academic institution. It is for these reasons that I highly recommend Brok Liu without reservation for your academic institution.

If you have any questions regarding this recommendation, please do not hesitate to contact me.

Sincerely,

David Lopez
